

HSRPP Conference 2012. University College Cork, Ireland

Day 1

Monday 23rd April 2012

- 9: 00 am **Registration and Coffee**
Brookfield Health Science Complex (BHSC) room 1.01
- 10:00 am **Welcome and Introductions (BHSC room G10)**
Professor John Higgins. Head of College, Medicine and Health, UCC.
- 10: 20-11:00am **Keynote 1 (BHSC room G10)**

Professor Steve Field.
Chairman, NHS Future Forum, Chairman, National Health Inclusion Board &
General Practitioner, Bellevue Medical Centre Birmingham

*Reforming the NHS in England - the NHS Future Forum, a view from the non-
strikers end of the pitch!*
- 11:00-11:30am **Coffee** *BHSC room 1.01*
- 11:30 – 12:45pm **Oral Session 1**
- A:** ***Community Pharmacy - perceptions and roles for the future (Part 1)***
(BHSC room G06)
- Chair: Ms. Beth Allen
- Abstract 1 *Patients' perceptions of the current and future roles of the community
pharmacist in type 2 diabetes care*
- Abstract 2 *Evaluating student attitudes and opinions to conducting a real life health
promotion campaign*
- Abstract 3 *A non-NHS, free of charge, community pharmacy-based cardiovascular risk
assessment service: the views and experiences of the service users*
- B:** ***Pharmacovigilance - Optimisation of Medications (Part 1)***
(BHSC room 1.21)
- Chair: Prof. David Wright
- Abstract 4 *Delayed antibiotic prescribing in Irish general practice: compromise or cop-
out? A qualitative study*
- Abstract 5 *Incidence of Antibiotic Adverse Drug Events among Hospitalised Patients*
- Abstract 6 *An evaluation of the administration of subcutaneous insulin at mealtimes in
acute adult inpatients*
- Abstract 7 *Investigation of the occurrence and the reason for errors in the prescription
and monitoring of gentamicin in Raigmore Hospital*

C: Novel Research Methods and Applications
(BHSC room G05)

Chair: Dr. Stephen Byrne

Abstract 8 *Use of the critical incident technique in focus groups: a novel method for exploring pharmacy professionalism*

Abstract 9 *Are pharmacists natural behaviour change counsellors? An investigation into the elements of behaviour change counselling pharmacists include in their consultations*

Abstract 10 *Using LEGO® SERIOUS PLAY® to explore students' perceptions of 'professional' and 'unprofessional' pharmacist identities*

Abstract 11 *Developing a tool to measure medicines-related quality of life*

D: Pharmacovigilance - Qualitative Methods (Part 1)
(BHSC room G10)

Chair: Dr. Jane Sutton

Abstract 12 *An investigation of prescriber perceptions on the benefits of, and barriers to, the successful implementation of antimicrobial prescribing guidelines in secondary care*

Abstract 13 *"It's about recognising how many people you've poisoned by giving them medication?" – thoughts of healthcare professionals on pharmacovigilance*

Abstract 14 *Junior doctors' knowledge, experience of and attitudes towards prescribing errors.*

Abstract 15 *The perceived causes of prescribing errors made by junior doctors in Scottish hospitals*

12:45-1:45pm **Lunch and poster viewing** (BHSC room 1.01 and 1.22)

1:45pm

Workshops

"Surveys for Beginners"

Dr Erika Kennington, Royal Pharmaceutical Society
(BHSC room G05)

"Using qualitative research methods in pharmacy practice research"

Dr Jane Sutton and Ms Hannah Family, University of Bath
(BHSC room G06)

"Supporting medicines adherence in practice: a coaching approach"

Ms Nina Barnett Nina, North West London Hospitals NHS Trust
(BHSC room G10)

"Implementing policy into practice"

Ms. Lucia Crimin, Head of Registration & Qualification Recognition Unit, The Pharmaceutical Society of Ireland
(BHSC room 1.21)

- 3:15pm **Keynote 2: (BHSC room G10)**
Dr June Raine,
Director of Vigilance and Risk Management of Medicines,
Medicines and Healthcare Products Regulatory Agency (MHRA)
- TBC*
- Professor Colin Bradley,
Professor of General Practice, University College Cork, Ireland.
- Pharmacovigilance – The Role of the Healthcare Professional*
- 4:15pm **Historic tour of UCC/ Opportunity to explore Cork on foot.**
- 7:00pm **Conference Dinner at ‘Vertigo’ restaurant**

Day 2
Tuesday 24th April 2012

- 9:00am **Registration and Coffee**
- 9:30am-10:15am **Keynote 3: (BHSC room G10)**
Professor Michael S. Wolf,
Associate Professor, Medicine and Learning Sciences
Northwestern University, Chicago, USA
- Lost in Translation: Bridging Communication Gaps to Promote Medication Adherence*
- 10:15-10:45am **Coffee (BHSC room 1.01 and 1.22)**
- 10:45-12:30pm **Oral Session 2**
- A:** **Role evolution of the Pharmacist**
(BHSC room G06)
- Chair: Dr. Laura Sahm
- Abstract 16 *Implementation of Individualised Medication Administration Guides for patients with dysphagia: Results from a pilot controlled trial*
- Abstract 17 *Learning the professional role: how pharmacists develop during pre-registration training and their early careers*
- Abstract 18 *Early detection of lung cancer symptoms – a role for community for pharmacy*
- B:** **Pharmacovigilance - Appropriate use of medicines in Ireland**
(BHSC room G05)
- Chair: Dr. Dai John
- Abstract 19 *Potentially inappropriate prescribing in older hospitalised patients – the impact of the STOPP/START criteria on prescribing appropriateness and an evaluation of the setting in which this screening tool is applied -a pilot study.*
- Abstract 20 *Medicine and Food Supplement Use Among The Older Population with Intellectual Disability of Ireland: The Intellectual Disability Supplement to The Irish Longitudinal Study on Ageing.*
- Abstract 21 *A descriptive analysis of service-users attending Matt Talbot Services during 2009/2010*
- Abstract 22 *Benzodiazepine prescribing: The role of community pharmacists in Ireland*

C: Policy - Service Delivery / Use of Information Technology
(BHSC room 1.21)

Chair: Ms. Nina Barnett

Abstract 25 *Views of Community Pharmacists Regarding the New Medicine Service prior to its implementation*

Abstract 24 *Communication of clinical information upon hospital discharge: A regional audit*

Abstract 23 *Tackling health inequalities by means of an evidence-based health promotion programme*

Abstract 26 *Assessment of the level of technology adoption in pharmaceutical service delivery in tertiary hospitals in Southwestern Nigeria*

D: Pharmacovigilance - Qualitative Methods (Part 2)
(BHSC room G10)

Chair: Dr. Sarah Wilson

Abstract 27 *The impact of treatment side-effects upon medication adherence*

Abstract 28 *Pharmacists on Multidisciplinary Primary Care Teams: A Qualitative Analysis of Integration*

Abstract 29 *Non-medical prescribers' views on optimising adverse drug reaction reporting*

Abstract 30 *Views of Superintendent Pharmacists Regarding the New Medicine Service prior to its implementation*

E: PhD Forum (BHSC room 1.04)

Chair: Dr. Stephen Byrne

12:30-2:00pm **Lunch and attended poster session (BHSC room 1.01/1.22)**

2:00pm- 3:00pm

Oral Session 3

A: Community Pharmacy - perceptions and roles for the future (Part 2)
(BHSC room 1.21)

Chair: Dr. James Desborough

Abstract 31 *Incidence and pharmacotherapeutic management of anxiety, depression and excessive alcohol use in cancer patients*

Abstract 32 *Community pharmacists in Sudan: their current role and views on their potential future role*

Abstract 33 *Community pharmacists' job stress and well-being: does it make a difference where you work?*

Abstract 34 *Communication barriers and enablers of delivering and receiving alcohol brief intervention in community pharmacies: community pharmacists' and pharmacy customers' experience.*

B: Education of Healthcare Professional (Pharmacy)
(BHSC room G10)

Chair: Dr. Mary Tully

Abstract 35 *Online discussion of pharmaceutical cognitive enhancement: a qualitative analysis*

Abstract 36 *Thinking aloud: use of a research technique with pharmacy students and qualified pharmacists*

Abstract 37 *Inadequate numeracy skills of students entering the MPharm programme: diagnosing the problem*

Abstract 38 *Why are some university staff considered better lecturers than others? An exploratory focus group using a ranking exercise to capture final year MPharm students' opinions*

C : Pharmacovigilance - Optimisation of Medications (Part 2)
(BHSC room G05)

Chair: Ms. Beth Allen

Abstract 39 *Liquid Medicine For Children: Are Doses Measurable?*

Abstract 40 *The prevalence of prescribing errors amongst junior doctors in Scotland*

Abstract 41 *Pharmacist-conducted Medicines Reconciliation on admission of patients to hospital: A pilot study using standardised documentation*

Abstract 42 *Using hospital pharmacy dispensing records to categorise referrals to the RAID service: a preliminary study*

D: Communication and the role of the pharmacist
(BHSC room G06)

Chair: Dr. Laura Sahm

Abstract 43 *Assessment of the temporal effect of pharmacist counselling on warfarin knowledge in patients newly prescribed warfarin*

Abstract 44 *“It’s the best part of the job” community pharmacist-patient consultations: A focus group study*

Abstract 45 *Assessing the impact of Direct Healthcare Professional Communications for medicines on Pharmacy Practice*. Abstract TBC*

3:00-3:45pm **Keynote 4: (BHSC room G10)**
Professor Tony Avery
Professor of Primary Healthcare, University of Nottingham, UK

Patient reporting of ADRs to the UK Yellow Card Scheme

3:45-4:00pm **Conference Summary, Prizes and Handover**
