WELLBEING OF WOMEN

Pharmacy Research UK

Wellbeing of Women, in partnership with Pharmacy Research UK, is proud to announce our 2022 WoW-PRUK Research Project Grant.

We are accepting applications from independent researchers for research **looking at the practice of pharmacy and pharmacists or exploring the role pharmacists can play in delivering the best possible patient benefit across one or more areas under Wellbeing of Women's remit:** fertility, pregnancy and birth; gynaecological and reproductive health; and gynaecological cancers.

WoW-PRUK Research Project Grants (RG) are intended to support independent researchers leading their own work at recognised Universities or NHS Trusts in the UK. Applications are encouraged from multi-disciplinary teams. Funding will be provided for research projects lasting up to three years and costing up to £100,000. Funds may only be used for directly incurred research costs.

Closes: 1 pm on 30 June 2022
