ICA
HEE/NIHR Integrated Clinical Academic Programme
for non-medical healthcare professionals

NHS

You are invited to a FREE workshop about the HEE/NIHR Integrated Clinical Academic (ICA) Programme

- ***Are you a non-medical healthcare professional looking to pursue a clinical academic career but not sure where to start?***
- ***Perhaps you've been approached by a team member wishing to pursue a clinical academic career and unsure what this means or how you can support them?***
- ***Do you have a view about any factors that act as barriers to people accessing this programme?***

We are holding **two workshops in each of the four HEE regions**:

- One for **prospective ICA applicants** to hear more about the programme, give your perspectives on research careers and make new connections across your own region
- The other is for **managers and clinical team leads** to come together and discover what a research career is all about, as well as how and why you could support them.

The workshops will also feature invited presentations from your region to showcase impact on teams and wider organisations. The interactive sessions will help generate support strategies and networks for each region.

These workshops are an opportunity to gather attendees' views and perspectives on the HEE/NIHR ICA Programme - please join us to share your experiences and opinions.

The workshops are open to all non-medical healthcare professions including nursing, midwifery, allied health, health visitors and healthcare scientists.

Book now for the North workshops:

28th February 2017, 9.30 - 4.30, Central Preston - Managers and Clinical Team Leads
Booking link: https://icap_north_managers.eventbrite.co.uk

1st March 2017, 9.30 - 4.30, Central Preston - Prospective applicants
Booking link: https://icap_north_practitioners.eventbrite.co.uk

All delegates will receive an attendance certificate for their own CPD records, as well as a resource pack at the end of the workshop.

Lunch and refreshments will be provided. Places are limited, please book early.
