Oral presentations

- Oral presentations will last 15 minutes followed by 5 minutes for questions and 5 minutes to move between rooms if needed.
- Presentations should be produced using Microsoft PowerPoint and should be produced using the widescreen (16.9) layout. Presenters are advised to use 22pt text size as a minimum and avoid similar colour shades for example yellow text on a white background/blue text on a blue background.
- All presenters MUST send a copy of their presentation to HSRPP@newcastle.ac.uk by noon on Thursday 5th April 2018 in an e-mail marked “ORAL Presentation ABSTRACT No. NN” in the subject line. If the file is too big to send, please e-mail us by Thursday 5th April 2018 to make other arrangements. Presenters will NOT be able to bring their presentation to the conference on a memory stick.
- Presentation slides (PDF) will be made available to delegates post conference. Please indicate in your submission email if you wish your slides to be excluded from this.
- Presenters are strongly advised to practice their presentation in advance as timings will be strictly adhered to by session chairs to minimise disruption for delegates wishing to move between sessions.
- There will be a prize for the best oral presentation at the conference.
